## Welcome to Career Counselling at the Institute of Home Science

At the Institute of Home Science, we believe that career guidance is paramount in shaping the futures of our students. Whether you're embarking on your academic journey or contemplating your next steps after graduation, we're here to provide you with the support and resources you need to make informed decisions about your career path.

## Our Commitment to You

We understand the significance of early career planning, especially for young individuals. Our dedicated team is committed to assisting you in setting clear goals and making informed career choices.

## What We Offer

- ✓ **Workshops and Seminars:** We organize a variety of workshops and seminars aimed at helping students explore various career prospects within the field of Home Science. From traditional career paths to emerging opportunities, we cover it all.
- ✓ **Guidance on Competitive Tests:** Whether you're considering national or international competitive exams, such as NET, SLET, or GRE, we provide guidance on the application process, preparation strategies, and tips for success.
- ✓ **Research as a Career Choice:** We encourage and motivate students to consider research as a viable career option. Our faculty members are passionate about instilling confidence in students and nurturing their potential to contribute to society through research and innovation.
- ✓ **Query Resolution Platform:** Do you have questions or inhibitions about research or competitive exams? Our platform provides a safe space for you to resolve your queries and gain clarity on any uncertainties you may have.
- ✓ **CV and Resume Assistance:** Crafting an impressive CV or resume is essential for standing out in today's competitive job market. Our faculty members are available to provide guidance and support to ensure that your professional documents effectively showcase your skills and experiences.
