In our department, teachers effectively utilize Information and Communication Technology (ICT) to enhance the learning experience. Equipped with LED large panel, Wi-Fi-enabled and HDMI/VGA-compatible projectors, each classroom is optimized for interactive teaching. Our conference hall, designed for seminars and Ph.D. defence viva voce, features a high-quality audio-visual system for seamless online and offline presentations. These advanced ICT tools facilitate dynamic teaching methods and provide a robust platform for academic discussions and evaluations.
